Summary: In response to Tobias's Way. Marco POV.

Marco's Way

That's not Tobias-like. What happened to the boy I see? Is it just a little hike, In your hawk-ish family?

You think I don't know pain, Or solation, too I have been out in the rain, And been deserted too.

I have lost my family, To a war that's impossible. A mom that's fighting against me, And a dad that's oh, so dull.

Don't tell me that it's okay, I know that it's not true You don't know the Marco Way Family can't just be two.

Rachel with your eyes so bright, Tobias with your wings so light, Ax with tail poised to fight Let my mommy be all right.

Jake keeping us in the fight Cassie with her guiding light, I'm akward, but that's all right For my family, win the fight.
